Poem of the Month

I Hear America Singing by Walt Whitman

All Premier Child Care Graduations were highly successful!

Highlights

Henry Wadsworth Longfellow, "Paul Revere's Ride"

The opening lines of Henry Wadsworth Longfellow's 1863 poem are etched in the memories of many Americans. The poet was known for his lyrical poems that retraced historical events and in 1863, "Paul Revere's Ride" was published, giving Americans a new, amazingly detailed, and dramatically versed look at one of the most famous nights in the country's short history.

Listen, my children, and you shall hear
Of the midnight ride of Paul Revere,
On the eighteenth of April, in Seventy-five;
Hardly a man is now alive
Who remembers that famous day and year

**Land where my fathers died,
Land of the pilgrims' pride,
From every mountainside
Let freedom ring!"
-Samuel F. Smith, America**

Quotes of the Month

EDUCATED MEN ARE AS MUCH SUPERIOR TO UNEDUCATED MEN AS THE LIVING ARE TO THE DEAD--ARISTOTILE---384-32 BC

Front and Center

The West Austin "drive" to get complete physicals and dental exams for every child in Head Start was very successful. It continues, however, as some of our students' physicals and dentals expire every month, we always want to be in compliance.

Schools from all over the city that have kindergarten programs are still vying for our preschool graduates to choose their schools for kindergarten. As per usual, our excellent teachers' hard work, our outstanding staff, our fantastic parental support and our wonderful students are always leaps and bounds ahead of their peers when they start kindergarten! Parents, let us know if you are still looking for a school for kindergarten for your child.

West Austin Development Center is gearing up to say goodbye to our 5 year olds as they head off to kindergarten! We know that they are prepared to face the rigors and challenges of kindergarten because we have transformed them from Head Start Students to Head Start Scholars. We will miss them but know that they must continue on their educational journeys.

We are excited about our fabulous, fun-filled Summer Camp. If your child is here for Head Start and graduates, they can still attend West Austin all summer. There will be something for everyone in Summer Camp 2019. If you know of anyone who is interested in a summer camp program, please let him or her know about us here at WADC. It is not too late to register but tell everyone to hurry on in and register before it is full.
